THE SPACEWALK

DISCOVER THE ROUTE

We recommend following the walk in the order indicated, starting at Zand 001. This way, you'll experience the story chronologically, from the first satellite to future journeys to Mars. However, you can join the walk at any point and, if you wish, spread the route over several visits.

001 Zand
SPUTNIK: THE START OF THE SPACE RACE

002 Kloosterstraat – Peter de Grote Monument
MERCURY & GEMINI: HUMANS IN SPACE

003 Zuidpark – Scheldestraat
